

# ANNUAL SERVICE SUMMER SPECIAL

**Just \$199.00 - Regularly \$265.00**

It's that time of the year, time for our **Annual Service Summer Special**. Available for a limited time, so call us and get on the schedule today!

## Why do I need to have an \*Annual Service?

- Routine preventive maintenance will keep your vehicle running safely and efficiently, even if it is used infrequently. Corrosion, dry rot, and battery age issues, to name a few, occur with time regardless of use.
- Routine service will enhance your vehicles service life, resale value, and will help prevent costly problems associated with maintenance neglect.

## Why Have Your Vehicle Serviced with Coastal Carts?

- We service most popular late model brands **ON SITE** for your convenience, reducing your downtime and avoiding costly up-selling gimmicks associated with other in-house dealers.
- Our service is professional, quick, clean, and accurate.
- Order accessories now and receive a discounted Installation at time of service.
- We guarantee our work with a 90-day warranty. If you are not completely satisfied with our service, we will make it right or refund your money.

## **What work is completed during an 'Annual Service?**
